## **Introduction:**

I'm Prabhat Thapa and I've recently finished my four year course of bachelor's degree in Electronics and Communication Engineering from IOE Purwanchal Campus, Dharan currently asking for a job in your prestigious company. I'm creative, logical and have a problem solving approach that prefers to face new challenges in work rather than same old repetitive task. Along with that, I have working experience in organizing different college programs such as engineering exhibition and competitions. I have also worked out as a team in different college projects such as IOT based Home Automation System, Solar Panel Cleaning System Pond Water Quality Monitoring System and Design and Fabrication of Microstrip Antenna.

## **Work Experience:**

### ➤ Technical Writer

Entegrasources Pvt. Ltd

Kathmandu, Nepal

(2021-2022)

I was involved in developing detailed reports about the different engineering projects that were performed by specific students and organizations.

### ➤ Teacher

Modern Preparatory Secondary Boarding School

Itahari, Nepal

(2017-2019)

I was involved in attending computer and mathematics subject for class 7 to 9. I was also responsible for typing the terminal examinations for the school.

## **Technical Skills:**

- In-depth knowledge of HTML, CSS, Javascript and Tailwind CSS
- Good understanding about React and Redux libraries
- C-programming
- Object Oriented Programming ( C++ )
- Arduino Programming
- Microsoft Office Package
- Cisco Packet Tracer

## **Education:**

### ➤ **Bachelor's Degree**

Institute Of Engineering(IOE) Purwanchal Campus, Dharan  
Bachelors of Engineering (Electronics and Communication)  
Completed in: 2022

### ➤ **Intermediate**

+2 Science, HSEB
